

THE POCHE DAILY RECORD
TUESDAY, FEBRUARY 15, 1875
LOCAL ITEMS.

Table with 2 columns: ARRIVALS and DEPARTURES. Lists names and destinations.

SAN FRANCISCO STOCK REPORT.

Table with 2 columns: Stock Name and Price. Lists various stocks and their current prices.

ENOCH ARDENISM.—Talk of your Enoch Ardens! A story is told us of a returned Pioche miner which takes the wind out of Tennyson.

RICH SILVER ORE.—Our Montana patrons will read the following with interest, from the Helena Herald of a late date: "We were shown to-day some very rich silver ore specimens from the Washington lode, Cherry Creek District."

ALLEGED OVER-ESTIMATE.—In the item published in our paper last week on pneumonia and its unusually fatal results here, we are assured, by those who ought to be best posted on the subject, that we greatly over-estimated the per centage of cases which prove fatal.

ANOTHER SNOW-STORM.—Sunday night we had another heavy snow-storm. The fall lasted the greater part of the night. There is now almost as great a depth of snow as there was ten days ago.

MISREPRESENTS US.—The State Journal recklessly says "the Record, the Vigilance Committee and the Coroner are all in together." If warning a community against the fearful consequences of anarchy, and urging magistrates and peace officers to perform their duties so thoroughly that there will be no necessity of the people taking their protection in their own hands, is the advocacy of a Vigilance Committee, then we are its advocates.

THE EUREKA SENTINEL calls us to account for saying, in an item announcing the resumption of stage travel between Hamilton and Palisade, denying that the travel had ever been interrupted on that line.

THEATER.—It is a matter of great regret that we have not a larger theater in Pioche. Every seat was filled last night, and many were turned away from the doors; in fact every available seat in the dress circle was sold early yesterday afternoon.

THE LOCAL PORT AT WORK.—He had reeled off the following, when he let go the crank, and came to see what we thought of it "as far as it went." We decided at once that it had gone far enough, and advised the author that a few years' grading on the narrow-gauge might make him more familiar with the subject.

SAVED FROM PERISHING.—Night before last, about 8 o'clock, when the snow storm was at the height of its fury, some gentlemen who occupy a mining office on Meadow Valley street, had their attention suddenly arrested by a noise outside as of some one throwing stones against the side of the house.

LATE last night we heard that there was a man at Glisson's lodging house, on Panaca Flat, in a dying condition, named O'Hare. Disease, pneumonia. Being utterly destitute, Mr. and Mrs. Glisson have been acting the part of good Samaritans towards the unfortunate man.

THE MINING JOURNAL, of Salt Lake City, continues to report cases of small-pox in various parts of that Territory. Would it not be well for our practitioners to provide themselves with pure vaccine, to have it on hand in case of emergency?

PERSECUTING MORMONS.—A friend has shown us a paper, just received from Cowansville, Province of Quebec, giving the particulars of a mob in Lambtown county, Canada West, having broken up a community of Mormons and tarred and feathered the leading adherents.

THE REASON.—Two or three representative Irishmen have informed us that the reason they are not arranging for the celebration of St. Patrick's Day in Pioche is, that they are greatly in need of funds to support the Hospital of St. Vincent de Paul, and cannot think, with so much sickness and destitution around them, of throwing money away in public displays.

If they had been as particular up your way the disease might have passed on over the rails to California, and then your mails wouldn't have been as irregular as a Mormon's attention to his first wife.

BOARD OF COUNTY COMMISSIONERS.—The Board of County Commissioners met yesterday, but no business of importance was transacted. Adjourned to the first Monday in March.

MRS. RYAN'S FUNERAL.—Mrs. Ryan's funeral took place Sunday afternoon from the Catholic Church. Notwithstanding the inclemency of the weather, it was well attended.

NOVEL AND VALUABLE.—The new spring mattress advertised in this issue by E. A. Friend & Co., Meadow Valley street. It will pay to go and see it, even if you do not purchase.

CONSIDERABLE bullion is now being turned out by Colonel Baker's furnace, in the neighboring district of Wallapai, Arizona, as we learn from parties just in from there.

DISTRICT COURT.—Nothing done yesterday but to continue the cases of Halpin vs. Connor and Connor vs. Halpin to the setting of the calendar next May.

READ the new advertisement of the State Bank of Nevada. More obliging bank officers cannot be found than pre-emptive over that institution.

In Pioche the girls are not averse to kissing a nice young gentleman, providing he hasn't got the epizootic.—[Salt Lake Tribune.]

THERE are dispatches at the Western Union Telegraph office for Nelson Perrin and E. J. Curtis.

AN indoor row occurred yesterday, but as it was conducted on Christian principles, and the participants are not distinguished combatants, we will not give names. Nothing of greater importance occurred on Meadow Valley street.

TWO more patients were yesterday discharged from the County Hospital, having been cured.

FRITCHARD'S Fast Freight Line is again in operation.
